Re: Change

Effective immediately: The follow will be policy regarding consecutive qualifying attempts.

2 yo's get 5 consecutive chances

3 yo's get 4 consecutive chances

4 Yo's & up 3 consecutive chances

If a horse uses up his or her chances, he or she will not be able to qualify at The Meadows for 30 days. If 30 days laps between attempts, the consecutive attempts start over. Broken equipment or interference do not count against an attempt but must appear on the charted line.
