No horse will receive Lasix prior to 4 hours before post time. A 30 minute grace period will be added to and after the arrival time. Any horse arriving after the grace period will be scratched from the race and the Trainer may be fined.

Drivers must report for breathalyzer at least 30 minutes before estimated post time.

All horses must go directly to the paddock after being released from the lasix barn. Any horse that fails to report directly to the paddock will be scratched and the trainer subject to fines and or suspension.

The "no exercise policy" prior to reporting to the Paddock will be enforced. Any horse reporting to the Paddock that shows evidence of being exercised will be examined by the Commission Veterinarian. If in the opinion of the Commission Veterinarian the horse has been exercised, the horse will be tested last. Horses will be deemed unfit for competition under the following circumstances:

- A. Based on an examination of the Commission Veterinarian
- B. High metabolic alkalosis - Results that exceed levels established by the PA Horse Racing Commission.
